Family Week Wraps up with Mother's Day Banquet

Big Thanks to the Fellowship Committee for all their hard work and preparation for the Mother's Day Banquet on Saturday Evening. It was a beautiful night. The ladies of the church gathered for a nice program and a great meal. Big Thanks to all the men who worked on the meal and served it so well. We really appreciate being treated so nice! We were treated to a wonderful meal and great entertainment by Ms. Anne Dorris who played the piano beautifully. Anne generously gave CDs for us to purchase. There was no set price, just a donation with 100% of the money to go toward payment on the CLC. As of this writing we have a donation of \$135.00. There are still some CD's available if you are interested. They are in the church office. Big Thanks to Ms. Barbara Patton for bringing the program on Gardening and Parenting. It was very informative and entertaining! And the evening concluded with door prizes and lots of give aways! Ms. Tami Woods and Ms. Marian Spalding put together some beautiful centerpieces, which were then given away to some lucky ladies! There were several beautiful plants given away as well. It was a sweet night and beautiful time spent together with our church family! Thanks to EVERYONE who made it a beautiful time together!! Thanks for helping us celebrate the blessing of Family!

Wee Worship Begins

Sunday, May 8 we are pleased to report was the beginning of an exciting program. We had 8 children, Ms. Debbie Sizemore, Ally Sizemore and myself as leaders. Wee Worship is a specially designed program for Children ages 2, 3 and 4 years old. We've had it before, and are so pleased to be able to offer it again as we have several little ones in this age group. Wee Worship meets in the room across the hall from the Nursery. It begins at the same time as Children's Church. Parents can bring their children to the Sanctuary for the first part of worship until the Children's Message after which we will all leave and go to Children's Church and Wee Worship. Parents may also take their young children to the Nursery and we can bring them across the hall to the Wee Worship Room when we get there. Ms. Debbie Sizemore is heading up this program. She has lots of ideas and exciting ways to reach this age group. When the weather allows, this age group will make some trips to the playground. Ms. Debbie talked to the children about how God made everything we see growing. Each child was asked to find something that God made. We then took the children back to the classroom where they taped the twig or stick or pine cone to their papers and decorated the page anyway they wanted. It was a huge learning experience for each child, especially the sitting in worship part. We were all 2 years old in our lives and had to learn how to do these things. We appreciate your patience and understanding while we are teaching our 2, 3 and 4 year olds how to be in worship with us.

Market Festival

The time is almost here! The Market Festival is Saturday, June 4. We need your help to make it a success. Lots of gently used items (furniture, home deco, dishes, books, jewelry, toys, kitchen equipment, etc.) are needed to have a good sale. The plant sale is a big attraction, and we hope you are saving a lot of divisions and pass-along plants for us. In addition, the bake sale needs lots of homemade goodies, including home canned pickles, relishes, jams, etc.

Call the church office if you need help with your donated items. Booths can be rented for \$20. Tell your friends and come and join us on June 4.

CPWM

CLC

We are still in need of volunteers to work at the CLC.... morning or night. If you enjoy meeting people and "talking over coffee" consider volunteering at the CLC. Commitments of just one day a month are welcome. Days and times are very flexible and are even more rewarding. For details call Debbie Robinson (822-5726) or the Church office.
